

Sophia Blue

My name is Sofia Blue and I work for Pima County Public Library. I was elected Vice Chair of Pima County Chapter Administrative/Technical/Clerical on September 27, 2012. I am currently on the Leadership board of Local 48 and the Strategic Planning Team of our Pima County Chapter. I also represent our members in meetings of the Health Insurance Wellness and Benefits Advisory Committee. I have also served on the Meet & Confer Committee.

As a working mother of three, I understand many of the struggles and sacrifices Pima County employees make in order to get by while still doing an excellent job of serving our community. I believe that together we have a stronger voice in the work place. I know that together we can effect change and better our workplaces, our communities, and our lives.
