“This year, our SEIU bargaining team got us a great bonus – but still, there are some myths out there that need to be set straight.”

Myth #1

**“We didn’t get
all the money.”**

Myth Buster:

Thuan Nguyen

Sunset Library

***“We did get all the money.
\$5,212 went to your check.
The rest went to your
Arizona State Retirement,
Medicare and Social Security.”***

Myth #2

**“We got a
one-time bonus,
but no COLA
or merit pay.”**

Myth Buster:

Jackie Brooks
Housing & Redevelopment

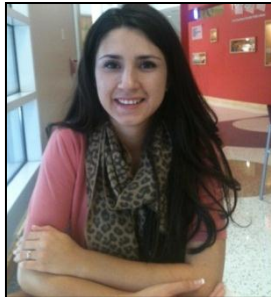

“SEIU, CLEA and CLASA all bargained to get us the most money now. Now, we are going to the table for our next step, which is COLA and merit pay.”

Myth #3

“The Police got a bigger bonus.”

Myth Buster:

Alexis Aguirre

Chandler Main Library

“Not really. The bonus was based on our average salaries. The police have a higher average salary than the rest of us.”

Myth #4

**“We could do better
representing
ourselves.”**

Myth Buster:

Dave Carlton
Planning & Development

“We DO represent ourselves, we’re just not by ourselves. With SEIU, we have a researcher, negotiator, labor lawyers, political lobbyists and much more.”

Myth #5

**“SEIU is
going away.”**

Myth Buster:

Patti Winn

Police Criminal Investigations

“Nothing could be further from the truth. SEIU is the authorized employee organization for all ACT employees. Our union will be on the election ballot and I’m voting to keep SEIU.”
