

Stand in solidarity with Walmart Workers!

Your SEIU sisters and brothers urge you to support striking Walmart workers on Black Friday. Spread the word to your friends and family through email, Facebook, Twitter and when you gather together.

Let them know you support giving Walmart associates full-time hours, affordable health care, wages that allow them to feed their families — and the respect and dignity they deserve!

We'll be standing with Walmart associates in Phoenix and Tempe, and we encourage you to join us and wear your purple!
We'll have SEIU T-shirts available for you, too.

Black Friday, November 23:

**9 am - Walmart Supercenter at ChrisTown
1607 W. Bethany Home Rd. in Phoenix**

**Noon - Walmart Supercenter
800 E. Southern Ave. in Tempe**

To RSVP call Todd Schwarz at 480-619-7065

Find out more about how you can show your support at
